SHAPING THE FUTURE TOGETHER

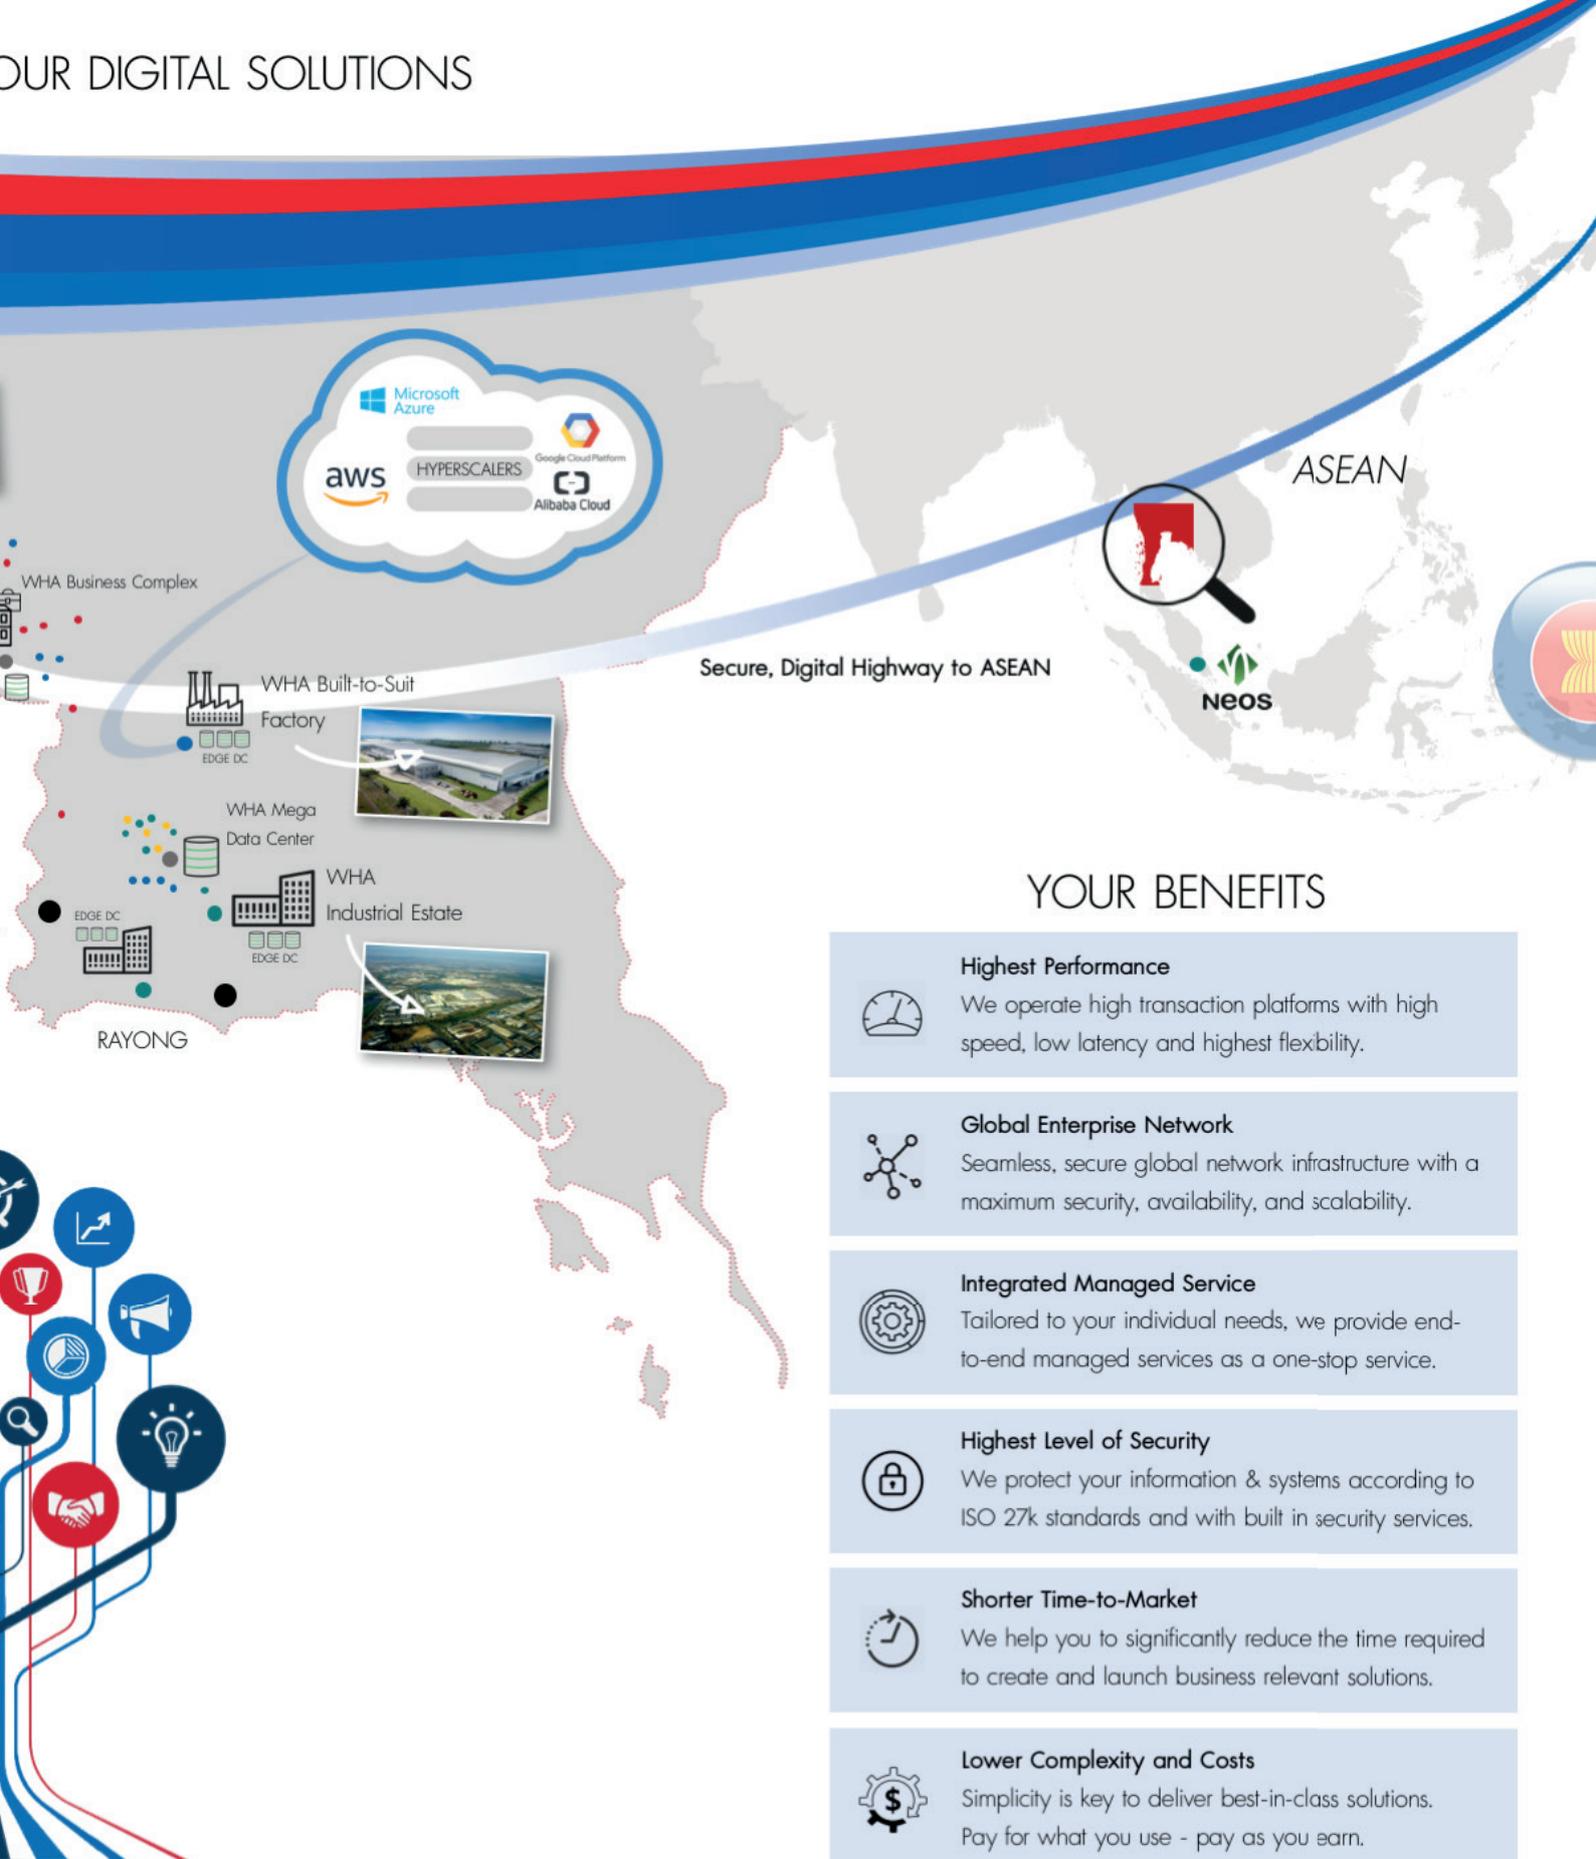

As strong supporter of Thailand's national policies to foster economic growth, the WHA Group established industrial clusters in the automotive, electronics and petrochemical sectors in the Eastern Seaboard. Today, it is a key player in the development of the **Eastern Economic Corridor (EEC)**, which aims to create new high-tech clusters in industries of the future such as aerospace, biofuels and biochemicals, digital, healthcare and robotics. Together with Neos, we develop a digital platform ecosystem to extend our strength in the Eastern Seaboard to the European and the ASEAN region and to deliver best-in-class service and make our customer businesses better every day.

The WHA Group is the ultimate solution partner for companies that would like to optimize their manufacturing and logistics requirements. The company's vision is to be recognized as a market leader in aligning vertical integrated logistics facilities provider, total solution industrial estates, utilities, power, and digital infrastructure platforms of high quality throughout the value chain in Asia.
